

OFFICIAL CALL: QUADRENNIAL CONVENTION

Delegates & Alternates,

You are hereby notified that the State Convention of the Republican Party of Arizona will be held **virtually at www.azgop.com/convention on Saturday, May 9, 2020.** Day-Of Provision of Verification Key & Voter ID (only as necessary) **will begin at 6:00 AM and will close at 9:00 AM.** **The meeting will convene promptly at 10:00 AM.**

The purpose of the Convention will be to elect national delegates and alternates to the Republican National Committee's Quadrennial Convention to nominate our candidate, President Donald J. Trump, for the office of President of the United States.

Each County and Legislative District (LD) Committee is represented by delegates. Should a voting delegate not be present, that individual will be replaced with an alternate from the corresponding County or LD if available. The primary components that will be used to facilitate your attendance and engagement are **voting** and a **live stream** of the event; a secondary **audio** component will also be available for those who cannot or are unable to use the primary visual component of the Convention.

VOTING

All delegates and alternates must cast a ballot. Ultimately, only the votes of delegates and properly-tapped alternates (if available) will be counted. In order to vote, we will be using an electronic voting platform called **Voatz**.

Voatz is an app-based platform that can be used on a smartphone or compatible tablet. If you do not have access to a smartphone or tablet then you have the option to cast your vote via telephone ("Vote by Voice"). Voatz leverages the latest developments in security in its platform, and all votes are encrypted, anonymized, and password protected.

After you vote, you'll get a ballot receipt confirming your selections. That way, you can verify that your vote was counted as you intended. In addition, multiple training webinars are being hosted to teach voters how the system works. The webinar dates and times are as follows and you may register for one by clicking the hyperlinked dates (the password to RSVP is **CONVENTION2020**):
