

The 5 Phases of the Radical Islamic Muslim Take Over of America:

Phase 1: Incubation – First, Muslims keep a low profile and make few if any demands on the host nation. Many quietly work as shopkeepers, students, teachers, professors, doctors and other professionals, making good first impressions and gaining vocational/professional respect.

Phase 2: Recognition – When a sufficient number of Muslims settle in, they request recognition of the Sharia law being applied within their own community. To preempt resistance and suspicions, they publicly condemn “radical” Islam and even seek well-publicized inter-faith dialogue and gatherings. Often, they are supported by naive leaders who don’t wish to be seen as racist or Islamophobic.

Phase 3: Infiltration – When Muslims gain critical mass in a few cities, they begin to infiltrate key institutions of society. They create umbrella organizations that inflate their size, and use them to lobby the government, support (pro-)Muslim political candidates, conduct public relations campaigns, file lawsuits against alleged Islamophobia, place imams as ‘chaplains’ in armed forces and prisons, endow Islamic studies departments at universities, and pressure public schools with Muslim students to pray towards Mecca. ★ This is where the radical Muslims are right now!

Phase 4: Confrontation – When Muslims become a significant minority, they will demand incorporating into its legal system elements of the Sharia law. Often, this demand is made while “rogue” elements of the Muslim community threaten or engage in violence.

Phase 5: Imposition – Finally, when the Muslim population becomes the majority and/or Islam gains control, Sharia law is imposed across the region, which is then locked down against non-Islamic influences, including the Gospel. The ideal Islamic state is where Sharia law is the only official law and enforced with barbaric brutality. – Source: www.justbible.org

The Democrat Party is Quickly Becoming the Radical Islamic Party of America

The goal of the radical Islamic Democrat forces is to force Sharia Law on all Americans:

- Texas voted to ban Muslim Sharia Law, Republicans all vote “YES”, Democrats wouldn’t put it up for a vote.
- Florida legislature voted to ban Sharia Law, and every Democrat voted “NO.”
- Michigan’s Democrat U.S. Senate candidate Abdul El-Sayed wants Muslim Sharia Law for America.

The Radical Muslims are already indoctrinating America's youth: An increasing number of America's public schools are commemorating Muslim holidays, serving Halal food, and holding Islamic prayers towards Mecca. In 2014, Rocky Mountain High School in Fort Collins, Colorado became the first American high school to recite the Pledge of Allegiance in Arabic, replacing "One nation under God," with "One nation under Allah." – Source: www.billionbibles.org
