### **CPT Robert M. Cornicelli Announces Endorsement from General Michael T. Flynn**

Suffolk County, NY – Today, Candidate Robert M. Cornicelli announced that General Flynn has endorsed his candidacy for NY1. General Flynn made the following statement:

I've had the distinct honor of serving alongside some of America's bravest men and women. Throughout my life I've met so many people who love this country, but few have a love that is as genuine and strong as that of my friend, CPT Robert M Cornicelli US Army (Ret). I met Robert seven years ago when we worked together at the Defense Intelligence Agency (DIA). Since then, I've had the privilege of following his career and I'm proud to be by his side as he steps up to serve his country again.

Captain Cornicelli is, in every sense of the word, a patriot. He served our country in two branches of the military and has time and again put his own life on hold to fight for freedom and defend the lives of the American people. I'm honored to give him my full endorsement in his run for Congress. Candidates like Robert come around once every couple of decades – make the right decision and vote a true patriot, a true American hero into Congress.

CPT Cornicelli made the following statement: “General Flynn stood up against the inept Obama/Biden administration and the deep state of DC. General Flynn was the tip of the spear, defending American liberties and freedoms. General Flynn believes our rights come from our creator and are enumerated in the Constitution. No radical left socialist will ever take them away. I am honored to be endorsed by General Flynn and stand ready to work alongside patriots like him, defending our fellow veterans, members of the developmentally disabled community, law enforcement officers, health care workers, educators, and all Americans against radical left activists' onslaught on our rights.”

Captain Cornicelli and his team are excited to have General Flynn join them in the fight to make our country a better place, and to make the government work *for* the people. Visit [www.CornicelliForCongress.com](http://www.CornicelliForCongress.com) to stay up to date on all campaign activities!
