

## Resolution 2021-04

**WHEREAS**, Adams County Board of Commissioner; on October 19, 2020,

**WHEREAS**, Adams county citizens are more than capable of self-government and controlling their lives, businesses, and decisions regarding their own health care without interference from any government agency or bureaucrat.

**WHEREAS**, We are the least regulated county in the state and have the least cases with zero deaths solely caused by Covid-19.

**WHEREAS**, Adams County rescinds all orders, recommendations, and restrictions put in place by policies relating to covid-19. And we resolve that Adams County is open for business and back to normal.

**NOW, THEREFORE, BE IT RESOLVED**, on Monday, October 19, 2020, the Board of Commissioners approve Resolution 2021-04.

DATED AND DONE this on the 19<sup>th</sup> day of October 2020.
